

Private Parties at the Western Hills Athletic Club

Private parties may be scheduled at the pool on Monday afternoons and evenings starting in May. Private parties will not be scheduled after school starts in August. The club may be reserved between the hours of 12:00 pm - 9:00 pm. Parties must be scheduled at least a week in advance. A party time and date must be reserved by completing the reservation form and prepaying all fees.

- Cost of private parties is \$125 plus lifeguard fees for three hours. There is a \$50 per hour charge for each additional hour. Lifeguard fees are \$25 per lifeguard per hour. There is a two lifeguard minimum for all parties. The number of guards needed will be determined by the WHAC General Manager and will be based on the size of the party. Sales tax is included in all applicable party fees.
- A lifeguard will be available to open the pool area for party setup 15 minutes before each party. If you require more than 15 minutes, there will be an additional \$20 per hour fee for the cost of the lifeguard.
- All patrons of the party must be outside of the fenced pool area 15 minutes after the end of the party. Parties that have not cleared the pool grounds by that time will be charged one additional hour for each of the lifeguards. If the grounds are not cleared by 30 minutes after the scheduled conclusion of the party, an additional \$50 charge will also be assessed.
- All party fees may be refunded due to a cancellation if 24 hour notice is given. If less than 24 hours notice is given and the lifeguards arrive to work the party, one hour's pay for each lifeguard will be deducted from any refund.
- All pool rules and club policies are in effect during private pool parties, including the WHAC Alcohol Policy.
- If a member is sponsoring a party for an outside organization, they must be present for the duration of the party.
- Proper parental supervision of children is required.
- Members are responsible for cleaning up after their parties.
