

Private Parties at the Western Hills Athletic Club

Private parties may be scheduled at the pool on Monday afternoons and evenings starting in May. Private parties will not be scheduled after school starts in August. The club may be reserved between the hours of 12:00 pm - 9:00 pm. Parties must be scheduled at least a week in advance. A party time and date must be reserved by completing the reservation form and prepaying all fees.

- Cost of private parties is \$300 for a two-hour party, and \$400 for a three-hour party. This includes the pool rental fee and the cost of lifeguards.
- A lifeguard will be available to open the pool area for party setup 30 minutes before each party. If you require more than 30 minutes, there will be an additional \$20 per hour fee for the cost of the lifeguard.
- All patrons of the party must be outside of the fenced pool area 15 minutes after the end of the party. Parties that have not cleared the pool grounds by that time will be charged one additional hour for each of the lifeguards. If the grounds are not cleared by 30 minutes after the scheduled conclusion of the party, an additional \$50 charge will also be assessed every 15 minutes until the facility is clear.
- All party fees may be refunded due to a cancellation if 24 hour notice is given. If less than 24 hours notice is given and the lifeguards arrive to work the party, one hour's pay for each lifeguard will be deducted from any refund.
- All pool rules and club policies are in effect during private pool parties, including the WHAC Alcohol Policy.
- If a member is sponsoring a party for an outside organization, they must be present for the duration of the party.
- Proper parental supervision of children is required.
- Members are responsible for cleaning up after their parties.
